- One point of contact enabling a personal and direct relationship

Your company will not be burdened with capital being blocked.

Working with Liberty Mutual Surety in Belgium offers you major advantages. In principle, we will not ask for collateral to cover your guarantee risk. Our way of working is based on trust. A Liberty Mutual Surety guarantee, therefore, does not block any of your financial space, leaving you free to deploy your working capital optimally.

We are your partner, even in difficult times.

Your successful track record creates the trust on which we base our services and decisions. Even when things are not going your way, we are there for you. We always try to look for available options, in consultation with you.
