We won't tie up your company's capital

Working with Liberty Mutual Surety in the Netherlands offers you major advantages. In principle, we will not ask for collateral to cover your guarantee risk. We work on the basis of trust. Keep your cash working for you – a Liberty Mutual Surety guarantee does not restrict your available financing, enabling optimal deployment of working capital.

We are your partner, even in difficult times

We are there for you even if things are difficult. We always try to look at the possibilities that are available, in consultation with you.
